

GRADE EIGHT REGISTRATION INFORMATION

HOW IS GRADE EIGHT DIFFERENT THAN GRADE SEVEN?

- Grade Eight is much like Grade Seven in that you have the choice of two electives, and you will take either Human Ecology or Tech Ed.
- When registering you will fill out two items. The first is your Band or Art/Ab. Studies choice. If you have not taken band you have to choose Art/Ab. Studies. If you are in Band you can choose either elective.
- The second choice is for Human Ecology or Tech Ed. Choose the course you are not taking this school year.
